

莫姓源流 - 主要有三

There are three (3) prime Origins of the surname “Mok”

- (1) 先秦時期，楚國有一個叫做莫敖的官職，它的地位較高，一般只能由公族的子弟擔任。有的人長期擔任這個職務，便被稱為莫敖氏。後來簡稱為”莫”氏。

Prior to the conquering of China by Qin, there existed a government post in the state of Chu known as 莫敖. It was a high-ranking position and typically can only be held by noble descendants. Some families became a staple to this job and it evolved into a surname 莫敖氏. Later on, the name was simplified and the surname “Mok” 莫 was born.

- (2) 出自高陽氏
是顓頊的後代。古帝顓頊建造了鄭城。他的子孫于是有居住在鄭城的，都以城邑名為姓，為鄭氏。後來去掉了右邊的部首，變為”莫”姓。

The ancient (second) King of China 顓頊 built the City of 鄭. His descendants lived in that city and adopted its name as the family's surname. Later on, the right side of the character 鄭 was removed for simplification, thus evolving into the surname "Mok" 莫.

(3) 幕姓的省文

It is a shortened form of the surname 幕. Its pronunciation is identical to "Mok".
